The cafe was established in 26th of July 2007 As the first café in Jordan Zarqa City , it was one of a kind in the field.of entertainment by offering many services which you can find only in the 24CENTURY CAFE.

The atmosphere of the cafe is very friendly it is a place where you can relax,laugh,chat and even make business.

24CENTURY is located in a strategical location which surrounded by services stores , and also it has an easy access for all the people who wish to enjoy our company from all around the World.

provide the customers with WiFi (wireless internet free inside) which give you a free access to the net whenever you step into the café.

24CENTURY also provides customers with a free coverage for all the important football games such as the Spanish league ,English league
